Daily Astorian.

Vol. XVII.

Astoria, Oregon, Sunday Morning, April 9, 1882.

No. 8

THE "PACIFIC COASTER."

Pacific Coaster appeared upon the cise has been taken." outside of the counter wearing fourteen diamonds, the smallest of which was larger than the largest of the collection displayed on the St. Antoine in France, a nestful of inside of the counter. The subordinates sank back in awe while the leading day clerk, who felt his bert lived. So they know that importance gradually sinking down 1200 years before some hen had almost to the level of ordinary manhood, proceeded to "room" the stranger in the best vacant apartmet of the house, instead of giving him the worst, in accordance with the immemorial custom.

But the discomfiture of the clerks was no triumph for the gentleman from Nevada. He position with a string.

coast walked deliberately to a seat, glancing neither to the right nor left upon the ruin which he wrought. The lady boarders eminent geologist, was in America, surveyed with critical and aston- he seems to have had some curious ished eyes this invader of their advice given him about traveling rights, and as they reluctantly on the Mississippi steamboats. recognized the genuine flash of his "Never pay your fare till you are jewels the knives and forks dropped compelled to," was the first piece from their nerveless fingers and of wisdom thrown at him. "And one by one they fled the scene. pray why not?" he queried, with At last account they were holding English straightforwardness. "Becaucus in parlor A and discussing cause," was the almost whispered to be overdone.

Checking Perspiration.

merits consideration: "A mer- songer overboard!" The captain of one of his ships on a windy day, Has the man overboard paid his found himself, at the end of an fare?" On being answer in the hour and a half, pretty well ex- affirmative, he turned to the pilot. hausted and perspiring freely. He and said indifferently, 'Go ahead; sat down to rest. The cool wind its all right." from the sea was delightful, and engaging in conversation, time

Are you disturbed at night and broken to tax both the property and the money loaned on it would be double taxation. As money so easily evades taxation, the only safe way is to tax the property; used it, who will not be like be bowels, and complaint that he pays taxes on health to the child, operating like magic. property he doesn't own. We maintain that if the money is not scription of one of the oldest and best scription of one of the oldest and best taxed, when loaned, that the inter-traited States. Sold everywhere. 25

Peruvian Bitters.

sation for any tax he may pay; but that is a question that could retain a question and the particular an ceive careful attention at the bands of our law makers, and if it was language of the country, "Quinquina." ly at 11 he appeared upon the under one of his good, motherly threshold of the breakfast room old hers and sure anough in provide that to the extent money remedy in Spain, where it was known is a lien on property, the borrower shall be entitled to rebate of intermore precious than the gold of the Incas. pond with taxes paid on the money borrowed. Perhaps the safest way would be to let the money market regulate itself, simply making provision for the relief of those who have made long time loans at high interest in the past. Those who frame the new legislation should take all these points into consideration.

If money loaned is now liable to taxation, and a law shall be present the stomach. It attacks excessive love of liquor as it does a fever, and destroys both alike. The powerful tonic virtue of the Cinchona is preserved in the Peruvian Bitters, which are as effective against malarial fever to-day as they were in the days of the old Spanish Viceroys. We guarantee the ingredients of these bitters to be absolutely pure, and of the best known quality. A trial will satisfy you that this is the best bitter in the world. "The proof of the pudding is in the eating," and we willingly abide this test. For sale by all druggists, grocers and higher dealers. Order it. Loeb&Co., agents for Astoria.

The Astorian has now reached a circulation which places it at the head of the list of Oregon dailles, and insures to advertisers thereof more benefit for the amount paid than may be secured elsewhere. To those who wish to reach the largest number of readers at the smallest expense, we offer the columns of an attractive daily, the success of which from the very start has been far beyond the expectations of the most sanguine.

Various Causes-

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prenaturely. Ayries HAIR Vigor will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the seals, giving it a healthy action. It reseals giving it a healthy action. It rescalp, giving it a healthy action. It re moves and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not de-stroyed or the glands decayed. Its ef-tects are beautifully shown on brashy, weak, or sickly bair, on which a few ap-plications will, produce the gloss and reshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not seil or color white cambric; yet it lasts long on the hair, and keeps it

fresh and vigorous.
